Troop News

Hello Troop 1234 and welcome to our brand new newsletter! We sincerely believe that you will find it useful with information about what's been going on and what's coming up on our calendar. It will be entertaining in the sense that we are having our scouts contribute their stories and also coordinating the editing and electronic distribution. We are all very proud of our scouts for the effort they have shown as they have been learning new scouting skills, participating in service projects, demonstrating leadership, having high adventures and fun experiences, and opportunities to share memorable times with their friends. Our scouts are clearly living the scout oath and law and they show plenty of Scout Spirit. Let me tell you also that since the spring Court of Honor our 26 scouts have achieved: 49 Merit Badges, 19 rank advancements, and 2 Eagle Palms; we now have 11 Life Scouts who are on the last steps on their trail towards Eagle; we have 7

scouts on the trail to 1st Class; and we have 7 scouts in the 1st class and Star ranks, proceeding ever steadily on the trail towards Eagle. I firmly believe that we are achieving the goals of our unit scouting program. It is through the involvement of our scouts and in partnership with the parents and our volunteer leaders that our scouts will "Be Prepared". They are well on their way to becoming responsible and mature young men who will be our future leaders. Please join me in every opportunity to encourage and support our scouts, and help them on their way towards Eagle.

Thanks all of YOU, scouts, parents, and fellow leaders, for making Troop 1234 the BEST IN THE WORLD!!!

-Mr. Jett

Reverent.

What I've Been Doing in Scouts, by Oren Niebrzydowski

I had fun shooting muzzle loader muskets at shooting sports at D-A. I also had fun at Fall Camporee at Historic Ft. Wayne in Detroit. The best part was the bonfire because Michigan Paranormal Investigators (MPI) was there. They said that there are ghosts there and that they can speak words like "help me". We shouldn't be afraid of the ghosts because they don't hurt anybody. I also had a blast at summer camp. The best part was I completed the Mile Swim at Lost Lake. It made me feel good.

Haunted Forest, by Deandre Alexander

Haunted Forest at D-A was very fun. This was my 1st time attending, and it was fun and scary at the same time. I thought that our trail was the scariest trail of them all. We had a lot of people there to help make our trail the scariest. We had a box with a fog machine inside of it. Sam and other people had scary masks and things, and everyone got a chance to get inside the box to scare the people who came through the trail. I really look forward to Haunted Forest next year.

Fun in Scouting, by Martin Niebrzydowski

The trip to Historic Fort Wayne in Detroit for Fall Camporee was fun. I got to shoot a cannon and it was fun. There was a blacksmith doing metal work making tent stakes and it looked cool.
